# FAQ

## **What is Adventure Guides?**

A YMCA father-child program where dads (or father figures) and kids share monthly adventures, campouts, and activities. It's about bonding, friendships, and memories.

## **Which circles are at St. Anne?**

Most families join the Knight Rangers (father/son) or Avalon (father/daughter) circles. These are among the largest and most active in the program.

## **What's the cost?**

A one-time registration fee enrolls you in the program. Each event has its own fee, paid separately when you sign up (registrations open a few weeks before each event). A Buddy Pass is also available to try a single event before committing.

## **How much time does it take?**

On average, about one weekend event per month, plus optional circle get-togethers. Events are fully planned and beginner-friendly — no camping experience needed.

## **What kind of events are there?**

Beach campouts, Catalina trips, sports overnights, fishing, campfires, and themed adventures — all designed for father-child bonding.

## **Why join at St. Anne?**

Adventure Guides is a school tradition. Dozens of dads and kids from St. Anne are already part of Knight Rangers and Avalon, making it easy to connect with classmates and their families.

## **How do we sign up?**

Register online at [knightrangers.org/register](https://knightrangers.org/register) Be sure to select Knight Rangers or Avalon to be grouped with other St. Anne families.
